Dear Ms. Kiser and Mr. Sukys:

With this letter, I am forwarding Administrative Amendment No. 3, which makes technical adjustment to the Tulare County Association of Governments' (TCAG) 2004/05-2006/07 Federal Transportation Improvement Program (FTIP). This amendment has been found by TCAG to not adversely affect air quality, timely implementation of Transportation Control Measures (TCM's), or financial constraints and does not result in major scope change.

This amendment has been submitted by TCAG through the California Transportation Improvement Program System (CTIPS).

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this FTIP adjustment has been amended into California's 2004/05-2005/06 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Muhaned Aljabiry of my staff, at (916) 654-3521.

Sincerely,

A handwritten signature in black ink, appearing to read "Rachel Falsetti".
